

Launceston Area Parish Wildlife Group (**LAPWG**) presents 'The Migration of Common Birds in Cornwall'

by Simon Taylor,
the county's
Regional
Representative for
the **BTO** ~

**British Trust for Ornithology, the UK's leading
Ornithological charity.**

Where do these birds come from, when do they arrive & depart? These are some of the questions that we are only now getting the answers for.

**Friday, February 28th, 7pm at
North Hill Village Hall PL15 7PA**

Admission £3.50

Simon's talk will take us through the migration of the common birds that can be seen in Cornwall. He will show us some of the amazing feats of migration undertaken by these birds and at some of the citizen science behind our knowledge.

Refreshments available.

BTO Information table.

The hall is about halfway between Liskeard & Launceston, just off the B3254
